Corporate Finance	I	Murad Harasheh	registered videos on Microsoft Teams, one streaming per week (webex) for discussions and questions, detailed slides for each chapter, and assigned excel exercises.	Students are communicated via Ariel about the teaching modality, I also create a Channel on Mocosoft teams to store and access all lectures videos, microsoft teams allows for immediate and pront interaction with students. class materials will be availbale on the course page on both Ariel and Microsoft teams. final exam will be a written one following the university instructions for written exams.
Private Equity and Venture Capital	II	Anita Quas	registered audioslides available on Microsoft Teams and Ariel, virtual classes in Microsoft Teams for discussion of cases/exercises and questions, detailed slides, individual assignements.	Students have been notified about the course organization via Ariel and an email, and have been invited to the channel of the course in Microsoft Teams. Materials and lectures will be made available on both Ariel and Microsoft Teams. Most of the content of the course will be delivered through registered video lectures (mp4 based on audioslides), but student interaction is maintained with a (ideally weekly) synchronous virtual lecture in Microsoft Teams. The lecturer is evaluating the feasibility of maintaining guest lectures using Zoom or other means. The final mark will depend on an individual assignment on a final (ideally written, if not possible oral) exam
Business and Commercial Law	I	Amal Abu Awwad	Registered audio-slides or video-slides available on Ariel; slides for every chapter/topic; periodical Microsoft teams or Skype sessions for discussions and questions; cases and exersizes; individual assignments	Students have been notified about the teaching modalities via Ariel. Materials and lectures will be made available on Ariel. Students interaction is maintained by email and/or teams meetings. I will organize periodical team meetings for q&a as well as for discussing the cases that will be assigned to the students. The final exam will be written (if allowed by the general guidelines) and the final mark will be based on the exam and on the individual assignments.
Management of Innovation	I	to be assigned	Due to external causes, the course will start on April, the 23rd. The course will combine virtual classes, online material and in distance interaction with attending students.	Students will be notified through Ariel as soon as the instructor will be formally assigned to the Course.
